Presenter:

Reverend Stephen D. Thorne

*Priest of the Archdiocese of
Philadelphia*

Fr. Thorne was the convener of the Pastoral Plan of Action for the XII National Black Catholic Congress and has been involved in all of the Congress events since 1987.

“This webinar, the first of a series which will continue the theme of the XII National Black Catholic Congress, will focus on the Pastoral Plan of Action. Participants will learn about how the Pastoral Plan was formulated and how it can be used as a tool for pastoral planning. In addition to the information shared, participants will be able to interact with the presenter with questions and comments. Also, the webinar will assist anyone who is interested in engaging in a

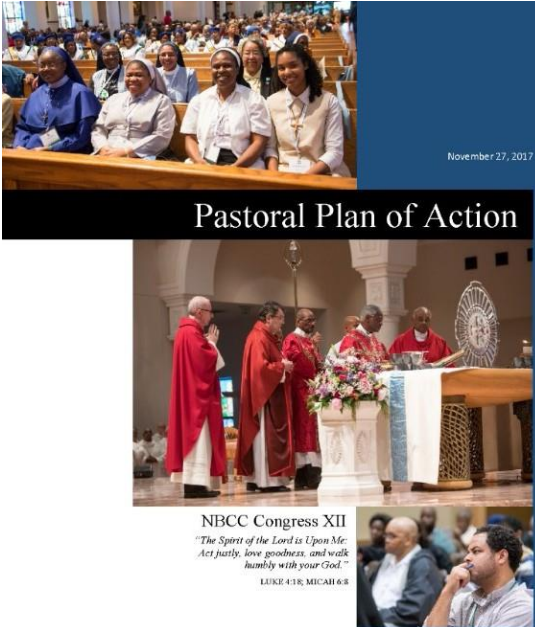

collaborative process in addressing contemporary issues in the Church and society.”
